## Description :

Prsentation de l'diteurAWAKE IN THE NIGHT is the first of John C. Wright's four brilliant forays into the dark fantasy world of William Hope Hodgson's 1912 novel, *The Night Land*. Widely considered to be the finest tribute to Hodgson ever written, this novella was previously published in 2004 in *The Year's Best Science Fiction: Twenty-First Annual Collection*. The five-million year epic that begins with "Awake in the Night" continues in *AWAKE IN THE NIGHT LAND*, which in addition to "Awake in the Night" contains "The Cry of the Night-Hound", "Silence of the Night", and "The Last of All Suns", which collectively tell the haunting tale of the Last Redoubt of Man and the end of the human race. John C. Wright has been

described by reviewers as one of the most important and audacious authors in science fiction today. In a recent poll of more than 1,000 science fiction readers, he was chosen as the sixth-greatest living science fiction writer. He is the author of more than 15 books, including TRANSHUMAN AND SUBHUMAN and CITY BEYOND TIME: Tales of the Fall of Metachronopolis.
