### Description :

Prsentation de l'diteurIn John G. Henry's terrific military science fiction series, a young officer risks everything in his fight for justice . . . Lieutenant Junior Grade Paul Sinclair must adjust to his new position on the warship USS Michaelson--juggling his Legal Officer responsibilitiesand his personal life, as his relationship with girlfriend Jen Shen intensifies. When an explosion takes out most of Forward Engineering, Sinclair leads the effort to extinguish the fire. He's practically a hero. But when Captain Shen, Jens father, is brought in to conduct an investigation, it seems that hes gunning for his daughters suitor. Soon Sinclair uncovers evidence that points to a cover-upinvolving a rising star in the officer corps. His evidence

is circumstantial, and the suspect is the son of a powerful vice admiral. Sinclair is determined to see justice done, but is he willing to risk his name, his career, and his future among the stars? *Revue de presse* "First-rate military sf. Another absorbing novel. Henry's series continues to offer outstanding suspense, realism and characterization." --Booklist Overall Jag In Space: Burden Of Proof is another top notch military novel and is as strong as the novel before and simply adds to an already great setting. A must for all sci-fi fans and even if you're not, you should read this series anyway because this is nothing but a good read! --Geeklore "First-rate military sf. Another absorbing novel. Henry's series continues to offer outstanding suspense, realism and characterization." --Booklist very well-written and goes in to detail about the mechanics of the trial process. Campbell manages to do this while maintaining the reader's interest and pace of the story. --SF Crowsnest Presentation de l'auteur In John G. Henry's terrific military science fiction series, a young officer risks everything in his fight for justice . . . Lieutenant Junior Grade Paul Sinclair must adjust to his new position on the warship USS Michaelson--juggling his Legal Officer responsibilities and his personal life, as his relationship with girlfriend Jen Shen intensifies.
