Description :

Prsentation de l'diteurJordan helps kids on the run find their way back home. Hes good at that. He should be
hes a runaway himself. Sometimes he helps the kids in other, stranger, ways. He looks like a regular
teenager, but hes not. He acts like hes not exactly human, but he is. He treads the line between mundane
reality and the world of the supernatural. Desdaemona also knows the non-human world far too well. She

tracks Jordan down and enlists his aid in searching for her lost sister Fay, who did a Very Bad Thing involving an immortal. This may be a mistake for both of them. Too many people are interested now, and some of them are not people at all. Ben Macallan's urban fantasy debut takes you on a terrifying journey, lifting the curtain on what really walks our city streets.
