## Description :

Prsentation de l'diteurWhat Amateurs Can Learn from Ulf Andersson's Positional MasterpiecesOne of the most effective ways to improve your chess is to take a world class-player as your example. By collecting his games, studying his choices and examining his style, you will understand what made him rise to the very top.This is what Guido Kern and Jurgen Kaufeld have done with Swedish chess legend Ulf Andersson, a positional genius with a crystal-clear style, who rose to the number 4 spot of the FIDE world rankings.Kaufeld and Kern have selected 80 of Anderssons games and grouped them into 15 thematic strategy lessons, pinpointing exactly how the Swede made the difference in each case. Their instructive verbal explanations will improve your strategic skills and your positional feeling. Every chess player knows

how difficult it can be to convert an advantage into a win. Positional technique is what you need and Grandmaster Chess Strategy teaches you exactly that. Throughout the book the authors have selected dozens of test positions at particularly instructive stages of the games.
