Biographie de l'auteur Samantha Henderson grew up all over the world and now lives in Southern California with her husband, two daughters, two corgis and two very disapproving rabbits. She enjoys riding horses, hiking, theater, silent movies, and making jam. She might be a little bit overly obsessed with Jane Austen, if such a thing is possible. Her stories have been published in markets such as Strange Horizons and Realms of Fantasy, and she is an active member of the Science Fiction Poetry Association.
