Description :

Prsentation de l'diteurThis is not a cookie cutter romance.It is a knockdown, heartbreaking journey through friendship, love, and loss - all to find the one person who can see you clear as day, even when you've lost all sight of yourself.Kellen Coulter has a way with women. A boxer from the wrong side of town, he worked his way through the wealthy daughters at Weston High with a brilliant smile, sweet words and vacant eyes. No one gets close. No one gets through. No one knows the secrets hiding inside.No one but me. I'm the only girl he's ever let in. The only one who has ever truly seen him. When we met I was just a kid, an old soul with an

open ear and a full understanding of what it was to be misunderstood by everyone around you. But even I didn't know the demons sleeping inside him. Not until now. Not until it might be too late. *Due to language and sexual content, this book is not recommended for readers under 18. All books in the North Star series can be read as standalones, though they are better, the story fuller, when enjoyed together. -Recommended Reading Order-KnockoutBrawlerRingsidePrsentation de l'diteurThis is not a cookie cutter romance.
