Prsentation de l'diteur
Praise for The Devil You Know: "The first in a series, K.H. Koehler does a fantastic job of introducing a dynamic set of characters, tweaking the usual concept of good versus evil just enough to make it interesting, thus setting the stage for much-anticipated future installments." ~BookFetish "...filled with characters that really come alive, with a fast paced storyline that will keep you fully enveloped in the story and will probably be the most fun you have reading this summer." ~Literary Mayhem "Fans of the

Dresden Files I think you will really enjoy this book. I am a big fan, and I can't wait for the next book." ~Jaime (Goodreads) Sympathy for the Devil...Not only does the devil have an only begotten son, but he's currently residing in the rural town of Blackwater in northeast Pennsylvania. Semi-retired from law enforcement, the handsome, if cynical, Nick Englebrecht becomes quickly caught up in a local missing child case that seems mundane on the outside, but when the sheriff requests his help as a psychic detective to help find the missing girl, his off-the-books investigation quickly leads him to some terrible truths about life, love and the universe as we know it. And if that isn't bad enough, the angels have begun an ethnic cleansing of all beings with demonic blood. Of course, Nick is at the top of their to-do list.Presentation de l'auteurPraise for The Devil You Know:"The first in a series, K.H.
